Paying Interest. Your due date is at least 25 days after the close of each billing period (at least 23 days for billing periods that begin in February). We will begin charging interest on Cash Advances and Balance Transfers as of the later of the Transaction Date or the first day of the billing period in which the transaction posted to your Account. If you pay the New Balance on your current billing statement by the Payment Due Date shown on that billing statement, we will not impose interest charges on New Purchases. New Purchases are Purchases that first appear on the next billing statement. Interest will continue to accrue each day on purchases that appeared on previous billing statements until you pay the New Balance in full and will be billed in the next billing cycle.

How We Calculate Interest Charges. We Use the Daily Balance Method (including current transactions) to calculate the Balance Subject to Interest Rate. For more information, please call us at 1-800-347-2683.

Balance Subject To Interest Rate. Your statement shows a Balance Subject to Interest Rate. It shows this for each transaction category. The Balance Subject to Interest Rate is the average of the daily balances during the billing period.

Credit Balances. If your Account has a credit balance, the amount is shown on the front of your billing statement. A credit balance is money that is owed to you. You may make charges against this amount if your Account is open. We will send you a refund of any remaining balance of \$1.00 or more after 6 months, or as otherwise required by applicable law, or upon request made to the address in the Contact Us section on page 3 of your billing statement.
